

Notice to fill GE IV option form

Each Second Year student of 2018-2019 batch has to select one Generic Elective (GE-IV) Paper on the link available on the college website. The link will be active w.e.f. October 17, 2018 11a.m. Students are advised to screen through the syllabus and/ or subject opportunities etc. of different papers before filling the form. Also following instructions to be kept in mind while filling the form:-

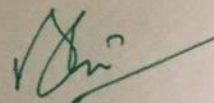

- (i) Use your own **Gmail id** for getting a mail regarding submission.
- (ii) No changes in the options/ preferences will be entertained after the due date i.e. October 28, 2018 3:00 p.m.
- (iii) Students can submit **Five** options in order of their preferences where first three will be mandatory. Once submitted, options can be edited on or before the stipulated date and time.
- (iv) **Students cannot choose the paper of their own department**
- (v) Students should not fill the same subject as more than one preference.
- (vi) The allotment will be purely on the merit basis. Total result of I yr exams (I Sem + II Sem) for GE-IV and result of XII class (Best five subjects) for GE-II will be considered. In case of result on the CGPA basis, you are required to multiply the result by a factor of 9.5 to fill the result in percentage. For students whose result is yet not declared by the University, for whatever reasons) may submit the result of last annual examination.
- (vii) In case of false information or/ and duplicate entry of the subject, the form is likely to be rejected. In such cases, the college reserve the rights to allot the required Elective GE option of its own.

The Following Papers are available in the College.

Department	Name of the Paper
1. Biomedical Sciences	Pharmacology and Toxicology
2. Botany	Economic Botany and Biotechnology
3. Chemistry	Chemistry of S- and P- Block Elements, States of Matter and Chemical Kinetics
4. Computer Science	Information Security and Cyber Laws
5. Food Technology	Sensory Evaluation of Food
6. Human Communication	Psychology and Media
7. Instrumentation	Machine Intelligence
8. Mathematics	Elements of Analysis
9. Physics	Thermal Physics
10. Physical Education	Posture, Athletic Care and First Aid
11. Polymer Science	Biomedical Applications of Polymers
12. Zoology	Animal Cell Biotechnology

Departments of Biochemistry, Electronics and Microbiology are not offering any GE-IV for this semester.
